Tempo di Marcia
When we see our sol-diers in line, Marching proud-ly to the mu-sic in time,
With the stars and stripes in the breeze, We sa-lute and bow our heads like the
trees, This is the way in our man-ner, That we pay trib-ute to our ban-ner,

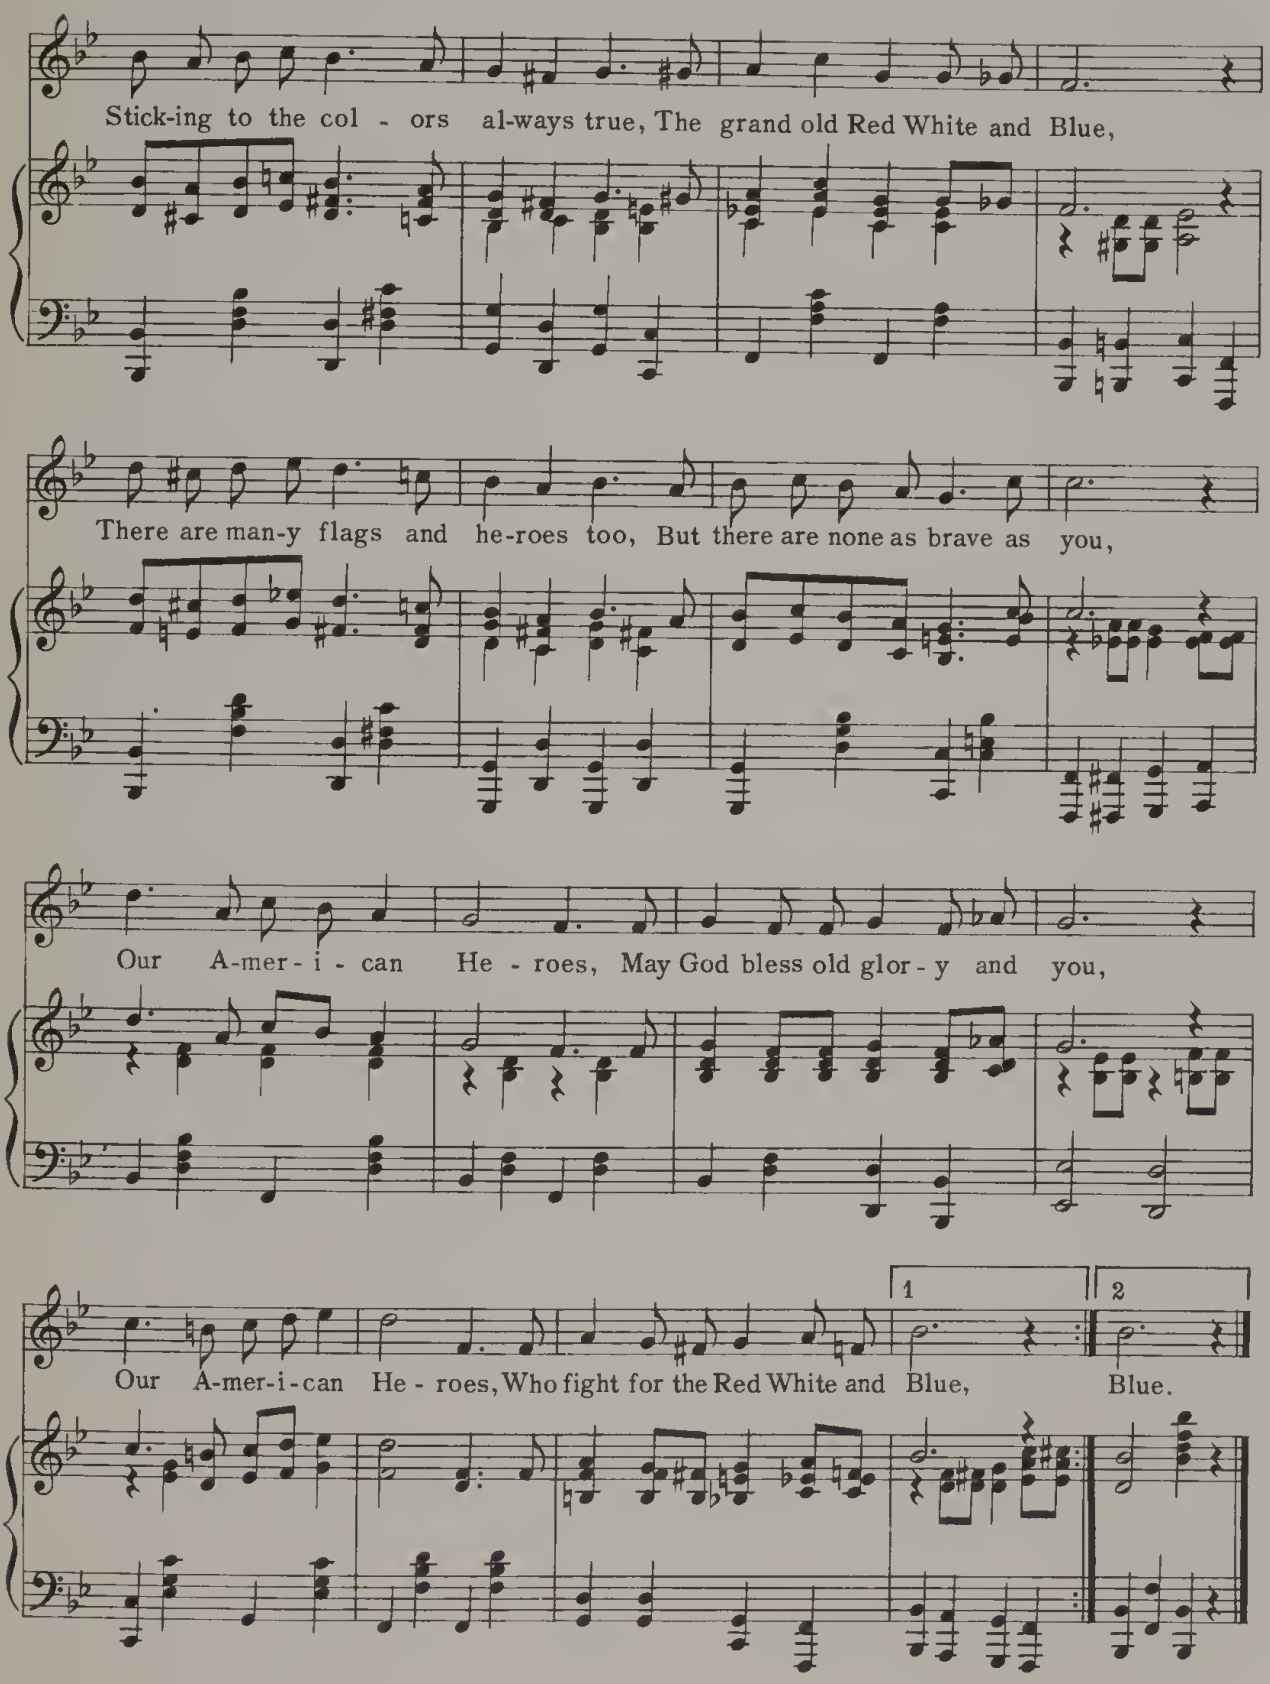
CHORUS
Our A-mer-i-can He-roes, Our sol-diers and sail-ors in blue,
Our A-mer-i-can He-roes, Who march so brave heart-ed and true,
Man-y deeds so fine you've done, And vic-to-ries too you have won,
Back from seven-ty six we're told, You fought so cour-a-geous and bold,



Stick-ing to the col - ors al-ways true, The grand old Red White and Blue,
There are man-y flags and he-roes too, But there are none as brave as you,
Our A-mer-i - can He - roes, May God bless old glor-y and you,
